FLINT RIVER COMMUNITY CENTER

WELCOME

Clayton County Senior Services Department mission is to deliver services and programs that promote independence, dignity and enhances the quality of life while providing a safe and caring environment for older adults, relative caregivers, youth, teens, adults and families. Programs emphasize health and wellness, including screenings, exercise programs, nutrition, education, and field trips for multiple generations.

Flint River Community Center opened its doors in March of 2021. Located on a 21-acre site on Flint River Road, the Flint River Community Center was a collaborative project between the Department of Senior Services and Parks and Recreation.

Flint River Community Center provides recreation and activities for multiple generations. The center features a games room, fitness center, multipurpose gymnasium, and an outdoor splash pad. Flint River Community Center showcases, for the first time in Clayton County, a "Black Box Theater" designed for live performances with flexible staging and seating.

We are honored to have you as a member of the Flint River family! We look forward to your participation in our programs, events, classes, and more! We welcome you!

Clayton County Aging Program

We Care Like Family

Clayton County Aging is funded through a Federal grant administered through the Atlanta Regional Commission. (ARC). Congress passed the Older Americans Act (OAA) in 1965 in response to a concern by policymakers about a lack of community social services for older persons.
